[6 Things to Remember]

Self-assess

If you feel unwell, refrain from going out (even if you don't have a fever).

Provide information

If there is a COVID-19 outbreak at a facility, a health center will notify you.

notification system

Respect time limits

Limit your time at facilities to 2 hours (or in some cases, 90 minutes).

Wear a mask

Wear a mask except when eating or drinking. Avoid talking without a mask.

Protect against droplets

Even if they get in the way, do not remove the table partitions.

Keep hands clean

Sanitize your hands thoroughly after using shared spaces and/or toilets.
