	e-mail		@

**■ Purpose of Donation**

Many health care workers currently engaged in the treatment of COVID-19 Coronavirus patients have been spending long periods of time working day in and day out, disregarding risks to themselves to aid in the treatment of the numerous infected patients.

The money received through this donation will be delivered directly to those working in at the medical facilities working hard to treat infected patients.

**■ Please write a message to our healthcare workers (Optional)**

--

**■ Do you give permission for information about your donation to be made public on the prefectural homepage?**

- 1 Do not make public my donation
  - 2 You may make public the following information (Please put a ○ next to information you would like to be made public on the chart to the right.)
